

Tuition and Fees

2017-2018

Registration & Supply Fee

The registration & supply fee covers all the school supplies, textbooks, and workbooks your child will need for the year. We ask for it before school begins so we can purchase things over the summer and have everything ready for your child at the beginning of the year.

The total fee is \$700 for new students and \$600 for returning students. Half of the total fee (\$350 for new students and \$300 for returning students) is due at the time of enrollment, and the rest can be paid off in payments with the full fee due July 1st.

Registration & Supply fees are non-refundable

If you register and pay half of the fee by April 14th you will receive \$100 off and if you register and pay half of the fee by June 9th you will receive \$50 off your registration & supply fee

Tuition

Your child's monthly tuition helps pay for the facilities (classroom upkeep, lights, water, A/C) as well as paying the salaries of all our amazing teachers!

The annual tuition for one student is \$6,300. Generally this is paid in 10 monthly payments of \$630 starting in August and ending in May, but you can make other arrangements with our financial director.

If you have more than one student in Kardia your second students tuition is \$5,700 (\$570 a month). This would also be the rate for any additional students.

Extended Care

In partnership with the Adventure Preschool, we do offer extended care as an option from 7:15-8:15am and from 3:30-6:00pm. There is an additional supply fee and monthly tuition rate for extended care and it varies depending on the hours you need extended care for. An explanation of the fees is listed on the back of this page.

With 24 hours notice, you may pay a drop-in rate to have your child stay in extended care if you need it for a special circumstance.

Scholarship applications are available upon request
